

2021 Hall of Fame Honoree

**Harold M. Lathrop, Deceased
Hinsdale South High School
Hinsdale South Faculty
1971 - 1988**

Inducted: November 16, 2021

Mr. Harold Lathrop chaired the HSHS Science Department and taught AP Chem and AP Physics from 1971-1988. He was one of the pioneers that started the AP program in the state of Illinois. Harold made a profound difference in the lives of many of his students through enthusiastic teaching and encouraging them to pursue degrees in science and medicine.

Lathrop received his Bachelor of Science in Education in 1954 and his Master of Education degree in Physical Science in 1965 from Penn State.
